

2013-2014 NATIONAL SALARY SURVEY RESULTS  
BROADCAST EDUCATION ASSOCIATION

Following are the results of the twenty-first annual BEA national salary survey conducted in Fall, 2013. Respondents encompassed all types of institutions ranging from small, private, 4-year liberal arts colleges to major public universities offering the doctorate in the field.

Please note the following:

1. All salaries are base salaries -- they do not reflect fringe benefits.
2. All have been adjusted to an academic year (9/10 mos.) basis.
3. Only faculty teaching electronic media courses are included.
4. The survey includes only full-time faculty -- both temporary/fixed-term and tenure-track.
