

BEA NATIONAL SALARY SURVEY RESULTS

2017-2018

Following are the results of this year's data gathering. Respondents encompassed all types of institutions ranging from small, private, liberal arts colleges to major doctoral level public institutions.

Please note the following:

1. All salaries are *base* salaries --- they do not reflect fringe benefits.
2. All have been adjusted to an academic year (9-10 month) basis.
3. Only faculty teaching electronic media have been included.
4. The survey includes only full-time faculty – both tenure track and temporary/fixed term.
